CLASS DESCRIPTIONS: Spring Quarter (4/22/24 – 6/17/24)

Classes that do not meet the minimum enrollment will be cancelled.

After-School Hoops

(3rd-5th Grade, Min 10/Max 18)

Join One-on-One Basketball this semester for After School Hoops®, an ideal after school activity for aspiring athletes. Basketball is a unique sport that combines upper and lower body motor-skill learning with an intense cardiovascular workout. Our organization has decades of experience teaching this sport in a motivating, inclusive and age-appropriate manor. After School Hoops® makes three guarantees: your child will learn, sweat, and have fun! *Class provided by One-on-One Sports.*

Chess Club

(All Ages, Min 6/Max 22)

Chess Club is a community for new and experienced students to learn together, including checkmate patterns, tactics, openings, strategy, chess notation, chess history, famous games, local chess events, how to play in chess tournaments, different ways to play chess (variants), how to create a chess variant and more! ChessKid.com gold memberships are provided to all club members for 24/7 access to puzzles, lessons, and games. OCA has instructed multiple Washington State Chess Champions since 2017. Because younger students frequently have shorter attention spans, OCA offers 10-15 minutes of optional “wind down” time at the end of the club with non-chess videos like TED educational cartoons or the award-winning Shaun the Sheep. *Class provided by Cary "Coach Ray" Easterday, Owner and Instructor, Orangutan Chess Academy (OCA).*

Hall of Fame Club

(K-5th Grade, Min 3/Max 8)

A combination of our learners' favorite HOFTC classes, Hall of Fame Club kids will get a little bit of everything! Each class will include a silly icebreaker, daily reflection, or peer affirmation time, followed by a weekly rotation between nail time, rainbow loom, or jewelry making. There will also be plenty of social games and socializing!

Hip Hop Kids

(K-4th Grade, Min 5/Max 12)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness. *Class provided by Seattle Dance Fitness.*

Kids' Carpentry

(All Ages, Max 8)

Kids' Carpentry is a hands-on toy building experience designed to teach kids ages practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects, they are also empowered to become independent thinkers--building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime. At the end of the session kids will bring home one or more wooden games or toys that they have built by hand from scratch. *Class provided by Kids' Carpentry Seattle.*

Jewelry Making

(3rd-5th Grade, Min 4/Max 10)

Students will learn some beginner friendly jewelry making techniques and make beaded earrings, pendants, bracelets using some wire and will be taught how to safely use jewelry pliers and tools. *Class provided by Kulsoom.*

Mixed Media Art

(K-2nd Grade, Max 12)

Students will work with different mediums and create a variety of projects in the course of 8 weeks ranging from string art, weaving, macrame, nature bookmarks and more. *Class provided by Kulsoom.*

Lego Robotics, Creative Contraptions

(3rd-5th Grade, Min 8/Max 12)

Let your imagination run wild with marvelous machines! In this class for inventive kids, we will explore fun new ways to build autonomous gadgets using sensors and motors, and discuss how real-world robots make industries function. Students will design and create original robotic arms, paper airplane launchers, catapults and more. Then, using everything we have learned, we will construct a collaborative mega-ball-mover! Note - this is an engineering and building class that does not have a focus on programming. *Class provided by Bricks 4 Kidz.*

Parkour

(K-2nd Grade, Min 6/Max 12)

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. Our program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships. *Class provided by Kong Academy.*

Science Surprise!

(1st-5th Grade, Min 12/Max 20)

Kids will unbox the surprising world of science as they discover a new STEM topic in each class! In this program, kids learn about several specialized areas of science, including forensics, geology, meteorology, entomology, and mechanical engineering.

They gain foundational science knowledge that will help them in their future science endeavors. *Class provided by Mad Science of Sno-King.*

Ukulele 101

(3rd-5th Grade, Min 3/Max 12)

Come learn ukulele with us! Whether you've played before or have never picked one up, our group ukulele class gives students the opportunity to learn an instrument that they can take with them anytime, anywhere. Basic knowledge of the instrument is introduced while learning to tune, strum, and read tablature and chord charts. We will also learn about the cultural significance and history of the ukulele. Students will leave this class being able to pick out simple, familiar melodies and play a handful of basic chords that can be used to play hundreds of songs! On the final day of class, students will have the opportunity to share what they've learned with friends and family by performing a showcase of selected songs. Participants may bring their own instrument, rent (\$15) or purchase (\$30) a Ukulele from Mode Music. *Class provided by Mode Music and Performing Arts.*
