Enroll in 5 days of classes and receive up to 3 FREE Block 2 classes. Block 2 space is EXTREMELY limited--please only register for Block 2 if needed. Registration opens Mon 9/9/24 at 8am at hof-teamcamp.com. Registration closes Fri 10/4/24.

Contact Sara Ray (970-219-5276, sara@hof-teamcamp.com) about programming, enrollment, scholarships, etc.

HOFTC is not a licensed childcare entity.

CLASS DESCRIPTIONS: Session 1 (Mon 9/30/24 – Fri 11/22/24)

Classes that do not meet the minimum enrollment will be cancelled.

1on1 Sports: After-School Hoops

(3rd-5th Grade, Min 10/Max 18)

Join One-on-One Basketball this semester for After School Hoops®, an ideal after school activity for aspiring athletes. Basketball is a unique sport that combines upper and lower body motor-skill learning with an intense cardiovascular workout. Our organization has decades of experience teaching this sport in a motivating, inclusive and age-appropriate manner. After School Hoops® makes three guarantees: your child will learn, sweat, and have fun!

1on1 Sports: After-School Soccer

(K-2nd Grade, Min 10/Max 18)

Join One-on-One this semester for After School Soccer. Skilled and experienced instructors will conduct an exciting and progressive session each week right after school. We will learn age-appropriate fundamentals, rules and strategies of the beautiful game, and have fun scrimmaging while focusing on teamwork, sportsmanship, and FUN!

Bricks 4 Kidz: Game On!

(K-2nd Grade, Min 8/Max 14)

In this interactive enrichment class, it's all about video games! Students will use LEGO® Bricks to build motorized models of characters from their favorite games. Game on with Super Mario Bros, Pokémon, Minecraft, Zelda, Pacman, and Sonic the Hedgehog! Each day will be a new adventure as the virtual and LEGO® worlds combine! Note - This is a Lego focused class, we will not be playing video games.

Bricks 4 Kidz: LEGO Roving Robots

(3rd-5th Grade, Min 8/Max 14)

Build and design real, functioning robots! Each day, students receive a short lesson, followed by guided building time. We will tackle creative team challenges to design and construct robots that automatically react to their environment using motors and sensors. Our robots will use echolocation to detect objects, react to obstacles that they bump into, and follow colored paths with light sensors. The session ends with an awesome battle-bot tournament!

CraftLab Seattle: Art with Nature

(1st-5th Grade, Min 8/Max 12)

Using nature as our inspiration this fall term: think plants, animals, seasons, and bugs! Each week we will focus on a new nature item to inspire our creativity and make fun and creative crafts to take home and enjoy. We will use upcycled, donated and thrifted material each week so bring your creativity, your best cutting and gluing skills and of course a willingness to have fun with CraftLab Seattle!

Half Pint Puppets: Build a Puppet, Change the World!

(8-12yo, Min 6/Max 15)

Learn to make your own Muppet-style Puppet! With the help of a professional puppet builder, you get to construct a puppet that you design, stitch, glue, and bring to life! We'll create a script together with our characters to perform on the last day of camp for family and friends! All materials are provided, and you'll leave with new skills, friends, and a puppet you made yourself!

HOFTC: Choose Your Own Adventure

(All Ages, MTRF Max 16, Wed Max 24)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

HOFTC: Coding Kidz

(2nd-5th Grade, Min 4/Max 12)

An introduction to basic coding for elementary-aged campers to learn computer science fundamentals through fun, engaging, and interactive online exercises and games. At their own pace, students will complete a different "Hour of Code" activity from code.org each week. This class will take place in the school computer lab, and students must be able to login to a school computer. Campers must bring their SPS-issued laptop to class and headphones are recommended.

HOFTC: Gaga Ball + HOF Games

(Wed K-1st Grade and 2nd-5th Grade, Fri K-5th Grade, Min 8/Max 14 per age group)

Can't get enough Gaga Ball? Play every week while mixing in some other summer camp favorites such as 9-Square, Castle Ball, and dodgeball games! Newcomers will learn the games and improve their skills, while seasoned players can get their competitive juices flowing.

HOFTC: Hall of Fame Club

(K-2nd Grade, Min 4/Max 12)

A combination of our learners' favorite HOFTC classes, Hall of Fame Club kids will get a little bit of everything! Each class will include a silly icebreaker, daily reflection, or peer affirmation time, followed by a weekly rotation between nail time, rainbow loom, or jewelry making. There will also be plenty of social games and socializing!

HOFTC Magic: The Gathering Club

(2nd-6th Grade, Min 4/Max 10)

Participate in strategic battles by wielding magic with unique card decks. Beginners and seasoned players welcome!

Kids' Carpentry Seattle

(K-5th Grade, Min 5/Max 8)

Kids' Carpentry is a hands-on toy building experience designed to teach kids practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects, they are also empowered to become independent thinkers--building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime. At the end of the session kids will bring home one or more wooden games or toys that they have built by hand from scratch.

Kodely: Play Doh World Explorers

(K-1st Grade, Min 8/Max 20)

Join our captivating Play-Doh World Explorers series! Delve into geography through creative playdough adventures. Enhance critical thinking and hands-on skills while fostering a love for exploration and learning.

Kong Academy: Parkour

(3rd-5th Grade, Min 6/Max 12)

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. The Kong Academy program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships.

Mode Music & Performing Arts: Story Drama

(K-2nd Grade, Min 3/Max 12)

Every class has its own story to tell! In the Story Drama series, students will use works by popular children's authors like Dr. Seuss and Eric Carle to explore the fundamentals of story-telling and work together to bring those stories to life. Students will have a blast using visuals, music, performance art, and games to create a unique "staged" version of each story. A final presentation of the students' creation will be performed on the final day of class for an audience of family and friends.

Oranqutan Chess: Chess Club

(K-8th Grade, Min 10/Max 22)

Chess Club is a community for new and experienced students to learn together, including checkmate patterns, tactics, openings, strategy, chess notation, chess history, famous games, local chess events, how to play in chess tournaments, different ways to play chess (variants), how to create a chess variant and more! ChessKid.com gold memberships are provided to all club members for 24/7 access to puzzles, lessons, and games. OCA has instructed multiple Washington State Chess Champions since 2017. Because younger students frequently have shorter attention spans, OCA offers 10-15 minutes of optional "wind down" time at the end of the club with non-chess videos like TED educational cartoons or the award-winning Shaun the Sheep.

Seattle Dance Fitness: Hip Hop Kids

(K-4th Grade, Min 5/Max 15)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness.

Stone Soup Theatre: Peter Pan (Play)

(K-2nd Grade, Min 7/Max 15)

Second star to the right, and straight on 'til morning! When Peter finds himself in the Darling family nursery, he forms a friendship with Wendy, John, and Michael. As the four fly away to Neverland, they encounter Lost Boys, mysterious creatures, and the evil Captain Hook. Join Stone Soup in this fun-filled adventure of theatre, magic, and a sprinkle of pixie dust!

Strategic Kids: Origami

(K-2nd Grade, Min 6/Max 18)

A simple piece of paper can become an adventure! In this engaging and exciting class children will fold their way to a deeper understanding of the Japanese art of Origami and related Japanese culture. Strategic Origami focuses on helping children to think deeply, gain confidence, solve problems, develop patience, and visualize results while they learn about shapes and geometry. During each class students will receive an origami instruction sheet detailing what was covered in class that day to take home with their completed Origami projects.

Tabletop Village: Pokémon Club

(2nd-6th Grade, Min 8/Max 18)

By providing lessons for children to trade and learn how to play the Pokémon Trading Card Game, your children will learn how to contextualize their reading and math skills, long term strategic thinking and planning, how to make fair and equitable trades, and how to be a kind and sportsmanlike competitor. Our certified Pokémon Professors will provide, decks for children to play with (all levels of play) among - other materials, teaching materials and educational games (Pokécatch, Attach and Attack, Raid Battles, etc.), and high-quality lessons/presentations on how to play Pokémon TCG.
