CLASS DESCRIPTIONS: Session 1 (9/6/23 – 11/3/23)

Arts and Crafts

(All Ages, Max 20)

Join our creative counselors and your friends for a new art or craft project each week! Projects will be determined by age, using various media to imagine and construct projects that tap into your creative side and sharpen fine motor skills.

Art with Nature

(1st-5th Grade, Max 15)

We will use nature as our inspiration this fall term - think plants, animals, the seasons, and bugs. Each week we will focus on a new nature item to inspire our creativity and make fun and creative crafts to take home and enjoy. *Class provided by CraftLab Seattle.*

Chess Club

(K-2nd Grade Monday Block 1, Max 20; 3rd-8th Grade Monday Block 2, Max 25)

Chess Club is a community for new and experienced students to learn and play together. We will review how to setup and play a game, checkmate patterns, chess tricks and traps (tactics), and how to start a game (openings). Participants will receive a ChessKid account to have 24/7 access to chess puzzles, lessons, and games! All students who train in Chess Club will automatically become student coaches for the following school year's Chess Club! *Class provided by Cary "Coach Ray" Easterday, Owner and Instructor, Orangutan Chess Academy.*

Choose Your Own Adventure

(All Ages)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

Coding Kidz

(2nd-5th Grade, Max 12)

An introduction to basic coding for elementary-aged campers to learn computer science fundamentals through fun, engaging, and interactive online exercises and games. At their own pace, students will complete a different "Hour of Code" activity from code.org each week. This class will take place in the school computer lab, and students must be able to login to a school computer. Headphones recommended.

Flag Football

(All Ages, Max 20)

Have fun playing flyers, sharks and minnows, and competing in live scrimmages with campers of all skill levels! *This class will take place outdoors on the turf field regardless of the weather.*

Gaga Ball + HOF Games

(All Ages)

Can't get enough Gaga Ball? Play every week while mixing in some other summer camp favorites such as 9-Square, Castle Ball, and dodgeball games! Newcomers will learn the games and improve their skills, while seasoned players can get their competitive juices flowing.

Hip Hop Kids

(K-4th Grade, Max 10)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness. *Class provided by Seattle Dance Fitness.*

Jewelry Making

(All Ages, Max 8)

With beads and best friends, campers will create their own jewelry in a relaxed environment, fostering creativity and fellowship.

Kids' Carpentry

(All Ages, Max 8)

Kids' Carpentry is a hands-on toy building experience designed to teach kids ages practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects, they are also empowered to become independent thinkers--building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime. At the end of the session kids will bring home one or more wooden games or toys that they have built by hand from scratch. *Class provided by Kids' Carpentry Seattle.*

Lego Robotics

(4th-6th Grade, Max 8)

Explore the world of robotics from a professional engineering perspective, while learning STEM. Our class provides a real-life simulation of the complex engineering challenges that exist in the industry and encourages students to use their critical thinking and teamwork skills. This program is based on the engineering principles taught at university. Students who complete this program and are ready for the industrial world. Participants solve the challenging engineering principles through the use of LEGO® EV3 programming software which allows them to create and enter codes that move their robot. *Class provided by Seattle Young Engineers.*

Lego Mania!

(All Ages, Max 16)

Let your imagination run wild with our growing collection of Legos! Each week, kids will choose a building challenge and also have time for their own free-build creations.

Nail Time

(All Ages, Max 8)

Treat yourself to a weekly manicure with the HOFTC counselors! Campers will paint, design, and decorate their own fingernails. Each class will start with a thorough handwashing and campers will each have their own personal nail kits. Paint and décor items will be shared amongst participants.

Rainbow Loom

(All ages, Max 16)

Spend the afternoon hanging out with friends, listening to music, and learning how to make a new bracelet each week. Campers will create and unwind with Rainbow Loom rubber bands in a relaxed environment, fostering creativity and fellowship.

World Dance

(K-2nd Grade, Max 14)

Children will experience a variety of music and dance styles that may include Guinean and other African dance, Hip Hop, Hawaiian Hula, Bhangra & Bollywood, Balinese, Brazilian, Armenian & Greek Folk, Cuban and more. Elements of Creative Dance and Movement are combined with cultural dances in each class. Stories, books, photos, videos, songs, instruments and dress-up related to the cultural dances being studied are often a part of the children's cultural experience. *Class provided by World Dance with Marissa.*
