CLASS DESCRIPTIONS: Session 4 (4/15/24 – 6/21/24)

Vendor-led classes that do not meet the minimum enrollment will be cancelled.

Arts and Crafts

(All Ages, Max 16)

Join our creative counselors and your friends for a new art or craft project each week! Projects will be determined by age, using various media to imagine and construct projects that tap into your creative side and sharpen fine motor skills. **Campers may register for only ONE Arts & Crafts class per week.**

Chess Club

(All Ages, Min 6/Max 22)

Chess Club is a community for new and experienced students to learn together, including checkmate patterns, tactics, openings, strategy, chess notation, chess history, famous games, local chess events, how to play in chess tournaments, different ways to play chess (variants), how to create a chess variant and more! ChessKid.com gold memberships are provided to all club members for 24/7 access to puzzles, lessons, and games. OCA has instructed multiple Washington State Chess Champions since 2017. Because younger students frequently have shorter attention spans, OCA offers 10-15 minutes of optional "wind down" time at the end of the club with non-chess videos like TED educational cartoons or the award-winning Shaun the Sheep. *Class provided by Cary "Coach Ray" Easterday, Owner and Instructor, Orangutan Chess Academy (OCA).*

Choose Your Own Adventure

(All Ages)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

Clay Creations

(All Ages, Max 8)

Get creative sculpting all sorts of fun things out of air-dry clay! Each week will be a different theme for campers to design and execute a unique clay project, from animals and miniature gardens to functional art and jewelry. Participants will develop artistic skills, fine motor abilities, and imagination in a supportive and engaging environment. No prior experience necessary—just a love for art and creativity!

Coding Kidz

(2nd-5th Grade, Max 12)

An introduction to basic coding for elementary-aged campers to learn computer science fundamentals through fun, engaging, and interactive online exercises and games. At their own pace, students will complete a different "Hour of Code" activity from code.org each week. This class will take place in the school computer lab, and students must be able to login to a school computer. Headphones recommended.

Floor Hockey

(3rd-5th Grade, Min 10/Max 16)

Join One-on-One Athletics for the awesome sport of Floor Hockey! We will play a game every week, and focus on stick fundamentals, offensive and defensive strategy, and having a great time exercising. We will be using soft rubber balls instead of hard pucks, and we will instate very serious rules with the sticks to ensure safety. *Class provided by On-on-One Sports Training.*

Gaga Ball + HOF Games

(All Ages, Max 16)

Can't get enough Gaga Ball? Play every week while mixing in some other summer camp favorites such as 9-Square, Castle Ball, and dodgeball games! Newcomers will learn the games and improve their skills, while seasoned players can get their competitive juices flowing.

Hip Hop Kids

(K-4th Grade, Min 5/Max 12)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness. *Class provided by Seattle Dance Fitness.*

Kids' Carpentry

(All Ages, Max 8)

Kids' Carpentry is a hands-on toy building experience designed to teach kids ages practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects, they are also empowered to become independent thinkers--building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime. At the end of the session kids will bring home one or more wooden games or toys that they have built by hand from scratch. *Class provided by Kids' Carpentry Seattle.*

Lego Mania!

(All Ages, Max 20)

Let your imagination run wild with our growing collection of Legos! Each week, kids will choose a building challenge and also have time for their own free-build creations.

Magic: The Gathering Club

(2nd-8th Grade, Max 10)

Participate in strategic battles by wielding magic with unique card decks. Beginners and seasoned players welcome!

Parkour

(K-2nd Grade, Min 5/Max 12)

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. The Kong Academy program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships. *Class provided by Kong Academy.*

Song and Sound Making

(K-2nd Grade, Min 3/Max 8)

No matter your age or experience, the art of song and sound-making is a fun and fulfilling skill that you can use throughout your whole life. Join us as we explore the endless possibilities of SOUND. In this class we will develop our musical ear, learn to play music together with our friends, dance, play, experiment with new and unique percussion and string instruments, and ultimately create and record our own piece of music as a team. *Class provided by Attuned Music Lessons.*

Stamp Making

(4th-5th Grade, Max 8)

Learn the art of designing, carving, and creating your own unique rubber stamps. Join us for a hands-on, journey into the world of stamp making. ***Campers will use sharp tools in this class.***

Science Surprise!

(1st-5th Grade, Min 12/Max 20)

Kids will unbox the surprising world of science as they discover a new STEM topic in each class! In this program, kids learn about several specialized areas of science, including forensics, geology, meteorology, entomology, and mechanical engineering. They gain foundational science knowledge that will help them in their future science endeavors. *Class provided by Mad Science of Sno-King.*

Story Drama

(K-2nd Grade, Min 3/Max 10)

Every class has its own story to tell! In the Story Drama series, students will use works by popular children's authors like Dr. Seuss and Eric Carle to explore the fundamentals of story-telling and work together to bring those stories to life. Students will have a blast using visuals, music, performance art, and games to create a unique "staged" version of each story. A final presentation of the students' creation will be performed on the final day of class for an audience of family and friends. *Class provided by Mode Music and Performing Arts.*

Wearable Art

(1st-5th Grade, Min 8/Max 15)

Create art that you can wear (tie dye, bead making from clay, etc.). Each week we will focus on a new wearable item to inspire our creativity and make fun and creative crafts to take home and enjoy. We will use upcycled, donated and thrifted material each week so bring your creativity, your best cutting and gluing skills and of course a willingness to have fun with CraftLab Seattle! *Class provided by CraftLab Seattle.*

World Dance

(K-2nd Grade, Min 5/Max 14)

Children will experience a variety of music and dance styles that may include Guinean and other African dance, Hip Hop, Hawaiian Hula, Bhangra & Bollywood, Balinese, Brazilian, Armenian & Greek Folk, Cuban and more. Elements of Creative Dance and Movement are combined with cultural dances in each class. Stories, books, photos, videos, songs, instruments and dress-up related to the cultural dances being studied are often a part of the children's cultural experience. *Class provided by World Dance with Marissa.*
