- Register at hof-teamcamp.com, payment by credit card is due at the time of enrollment. Registration opens on **Monday, January 13th at 8 AM**.
- If you are placed on a waitlist, you will be notified if a seat becomes available and will have the option to accept or decline the seat.
- Registration closes on **Friday, January 24th at 11:59 PM**. Class schedules cannot be changed after registration closes.
- Upon registration, you will indicate if your child will walk home, attend Tons of Fun aftercare (escorted by a staff member), or will be picked-up. Campers should be picked up within 5 minutes of class end-time from the playground.
- Standard Class enrollees have the option of enrolling in a Block 2 class as well.
- During the registration process, there will be an option to request a scholarship and to make additional donations to the scholarship budget.
- Campers will go directly to the Middle School Lounge at the end of the school day for check-in, snack, & social prior to the start of class. Please send your child with a snack and water bottle. **Please remind your child that the snack is to be saved for after-school enrichment.**
- Should an instructor cancel for the day, **please plan alternate after-school arrangements for your child**. You will receive a refund for any days that the instructor misses. Instructors with attendance issues will not be asked to return for subsequent quarters.
- Families will not be reimbursed for days that learners do not attend.

HOFTC is not a licensed childcare entity.

CLASS DESCRIPTIONS: Winter Quarter (2/3/25 – 4/2/25)

Classes that do not meet the minimum enrollment will be cancelled.

Bilingual Kids Seattle: Spanish Language!

(K-5th Grade, Min 10/Max 18)

Have you ever wanted to provide your child with the opportunity of being bilingual? Students will learn and practice the second most commonly spoken language in the U.S. while benefiting from language learner outcomes such as support for higher academic achievement and the development of cognitive skills. Additionally, learning a new language gives students a greater global understanding of our world and access to another culture to see things from a new perspective.

Bricks 4 Kidz: LEGO Roving Robots

(3rd-5th Grade, Min 8/Max 14)

Build and design real, functioning robots! Each day, students receive a short lesson, followed by guided building time. We will tackle creative team challenges to design and construct robots that automatically react to their environment using motors and sensors. Our robots will use echolocation to detect objects, react to obstacles that they bump into, and follow colored paths with light sensors. The session ends with an awesome battle-bot tournament!

CreArt Studioz: Palette to Plaster, Sketching Adventures to 3D Sculptures

(K-2nd Grade, Min 10/Max 18)

Join us for a creative winter filled with fun projects like zentangle animals, clay pizza slices, disco balls, and foil sculptures! From colorful maps with 3D landmarks to oil pastel snow scenes and pointillism landscapes, every class is packed with exciting art exploration. Get ready to make magic this winter!

HOFTC: Choose Your Own Adventure

(K-5th Grade, Max 8)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

Kids Carpentry Seattle

(K-5th, Min 5/Max 8)

Kids' Carpentry is a hands-on toy building experience designed to teach kids practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects, they are also empowered to become independent thinkers--building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime. At the end of the session kids will bring home one or more wooden games or toys that they have built by hand from scratch.

Kong Academy: Parkour

(K-2nd Grade, Min 6/Max 12)

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. The Kong Academy program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships.

Stone Soup Theatre: Frozen (Musical)

(K-5th Grade, Min 7/Max 15)

Join Anna, Elsa, Olaf, Sven, and all your favorite characters as they embark on an epic, ice-filled journey of self-discovery, camaraderie, and the real meaning of true love. This musical includes favorite Frozen songs such as "Love Is an Open Door," "Do You Want to Build a Snowman?," and "Let It Go."

Tabletop Village: Pokémon Club

(2nd-6th Grade, Min 8/Max 18)

By providing lessons for children to trade and learn how to play the Pokémon Trading Card Game, your children will learn how to contextualize their reading and math skills, long term strategic thinking and planning, how to make fair and equitable trades, and how to be a kind and sportsmanlike competitor. Our certified Pokémon Professors will provide, decks for children to play with (all levels of play) among - other materials, teaching materials and educational games (Pokécatch, Attach and Attack, Raid Battles, etc.), and high-quality lessons/presentations on how to play Pokémon TCG.
