- Register at hof-teamcamp.com, payment by credit card is due at the time of enrollment. Registration opens on **Monday, January 13th at 9 AM**.
- If you are placed on a waitlist, you will be notified if a seat becomes available and will have the option to accept or decline the seat.
- Registration closes on **Friday, January 24th at 11:59 PM**. Class schedules cannot be changed after registration closes.
- Upon registration, you will indicate if your child will walk home, attend Creative Care aftercare (escorted by a staff member), or will be picked-up. Campers should be picked up within 5 minutes of class end-time from their classroom.
- Standard Class enrollees have the option of enrolling in a Block 2 class as well.
- During the registration process, there will be an option to request a scholarship and to make additional donations to the scholarship budget.
- Campers will go directly to the Gym at the end of the school day for check-in, snack, & social prior to the start of class. Please send your child with a snack and water bottle. **Please remind your child that the snack is to be saved for after-school enrichment.**
- Should an instructor cancel for the day, **please plan alternate after-school arrangements for your child**. You will receive a refund for any days that the instructor misses. Instructors with attendance issues will not be asked to return for subsequent quarters.
- Families will not be reimbursed for days that learners do not attend.

CLASS DESCRIPTIONS: Winter Quarter (2/4/25 – 4/3/25)

Classes that do not meet the minimum enrollment will be cancelled.

Coach David: Chess Club

(1st-5th Grade, Min 10/Max 18)

Anyone interested in learning how to play the game of chess is encouraged to register and all skill levels are welcome. Students will have the opportunity to learn from an instructor, play chess with their friends, complete activities and challenges to win prizes, and even compete in tournaments if they so choose. Coach David Hirschowitz, who taught the club last year, will be leading the club once again on Tuesdays after school.

HOFTC: Choose Your Own Adventure

(K-5th Grade, Max 8)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

Illumination Theatre: Elements of Drama

(K-5th Grade, Min 7/Max 14)

During this class students will learn a range of fundamental elements of drama allowing students to gradually build their skills and confidence in theatrical expression and imaginative exploration. Each week we will focus on a specific aspect including miming, emotions, observation and voice, improv and more!

Play-Well TEK: LEGO Engineering Winter Wonderland (1st-3rd)

(1st-3rd Grade, Min 10/Max 16)

During this class students will learn a range of fundamental elements of drama allowing students to gradually build their skills and confidence in theatrical expression and imaginative exploration. Each week we will focus on a specific aspect including miming, emotions, observation and voice, improv and more!

Seattle Dance Fitness: Hip Hop Kids

(K-4th Grade, Min 5/Max 15)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness.

Where Creatives Gather: Clay & 3-Dimensional Art

(K-3rd Grade, Min 10/Max 14)

In this quarter, we will ignite our creative minds by exploring three types of clay and mixed media sculpture. Projects will include the use of molds with clay, freehand creations, bead making, bowls and figures. Each creation will have a special meaning and story having to do with the season, dreams and imagination. At the beginning of each class, we will read a short story or poem about the theme for the week. Each student will receive a journal to write and draw their stories about their creations to showcase at the end of the quarter. All supplies and snacks included.

Where Creatives Gather: Slime Club

(3rd-5th Grade, Min 10/Max 22)

In this quarter, we will have a blast exploring and experimenting with many types of slime. Making it from scratch, blending textures, colors and scents, there will be all the fixings for the most excellent batches of slime! In addition, the students will spend two weeks learning to make their own amazing, resin charms to decorate their slime. At the beginning of each class, there will be a blind bag handed out to inspire creativity. Fun, fun, fun! All supplies and snacks included!
